

Getting started with GitHub:

Step 1: Create an account.

- Navigate to github.com
- Create an account (use your VT email for a student discount)

Step 2: Apply for a student developer pack.

- <https://help.github.com/articles/applying-for-a-student-developer-pack/>
- This step is not mandatory, but necessary for unlimited private accounts

Step 3: Email me (ategge AT vt dot edu) your github ID.

Graphical User Interface for Interacting with GitHub:

- <https://desktop.github.com/>
- For help: <https://help.github.com/desktop-classic/guides/getting-started/>

Connecting with the class material:

- <https://github.com/tegge-classroom/STAT2984-2018>

Managing Assignments:
